Watkins v. Steelworkers Local 2369, 178

about the book . . .

This outstanding text provides the requisite coverage of public labor relations and collective bargaining, blending empirical research with contemporary influences and trends for a comprehensive, uniquely relevant examination of this changing field.

Spanning all levels of government, this practical, in-depth monograph explores the major concerns of both labor and management in the current bargaining environment . . . the differences between public and private sector unionization and collective bargaining . . . the complex effects of recent economic trends, including the taxpayer revolt and ensuing government fiscal difficulties . . . and bargaining impacts, the current legal environment, political interactions, and much more.

Cohesive, authoritative, and up-to-the-minute—this penetrating work is an exceptionally qualified text for graduate and upper-level undergraduate public administration, political science, and industrial relations courses such as Public Sector Labor Relations, Public Personnel Administration, Problems in Public Administration, Collective Bargaining, Industrial Relations, and Public Sector Unionization. Furthermore, this insightful volume is an essential on-the-job reference for personnel managers in government, as well as for specialists in labor relations, labor law, and industrial relations.

about the author . . .

RICHARD C. KEARNEY is Associate Professor in the Department of Government and International Studies at The University of South Carolina, Columbia, where he has taught since 1978. Previously, he was Assistant Professor at the University of Northern Iowa, Cedar Falls. Dr. Kearney has published widely within the fields of Personnel Administration and Labor Relations, and is coeditor of *The Review of Public Personnel Administration.* He is an active member of several professional organizations, including the American Society for Public Administration, Southwest Political Science Association, and Southern Political Science Association. Dr. Kearney received the M.A. degree in Public Administration and the Ph.D. degree in Political Science (1974 and 1977, respectively) from the University of Oklahoma, Norman.
