LIST OF CONTRIBUTORS

SIR DENIS BARNES was Senior Research Associate of the Policy Studies Institute. He was formerly Permanent Secretary of the Department of Employment and Chairman of the Manpower Services Commission. He is co-author of *Governments and Trade Unions: the British experience 1964-79*.

PHILIP BASSETT is the Industrial Editor of *The Times*. He was formerly Labour Editor of the *Financial Times* and Labour Correspondent of BBC Television. He is the author of *Strike Free: New Industrial Relations in Britain*.

WILLIAM BROWN is Professor of Industrial Relations at Cambridge. He was previously Director of the Industrial Relations Research Unit at Warwick University. His publications include *Piecework Bargaining* and *The Changing Contours of British Industrial Relations*.

KEN COATES is M.E.P. for Nottingham, Special Professor in Adult Education at Nottingham University, and a Director of the Bertrand Russell Peace Foundation. His books include *Work-Ins, Sit-Ins and Industrial Democracy* and (with a co-author) *Trade Unions in Britain*.

CHRIS COOK is currently Head of the Political Archives Survey at the London School of Economics. He was formerly head of the Department of History, Philosophy and European Studies at the Polytechnic of North London. His publications on modern British Politics include (with co-authors) *Post-War Britain: A Political History* and *The Slump*.

HENRY DRUCKER is Director of the Campaign for Oxford and was formerly Senior Lecturer in Politics at Edinburgh University. He is the author of *Breakaway: The Scottish Labour Party, Multi-Party Britain, The Doctrine and Ethos of the Labour Party, The Politics of Nationalism and Devolution* (with a co-author) and editor of J. P. Mackintosh, *On Scotland*.

BARRY HINDESS is Professor of Political Science in the Research School of Social Sciences at the Australian National University, Canberra. His books include *The Decline of Working Class Politics, Politics and Class Analysis, Freedom, Equality and the Market*, and *Reactions to the Right*.

JOHN LOVELL is Senior Lecturer in Economic and Social History at the University of Kent. His books include *Stevedores and Dockers, British Trade Unions 1875-1933* and (with a co-author) *A Short History of the TUC*.

DENIS MACSHANE works for the International Metalworkers' Federation, based in Geneva, and is a former President of the NUJ. His books include a biography of *François Mitterand and International Labour and the Origins of the Cold War* (to be published by Oxford University Press in 1992).

BEN PIMLOTT is Professor of Politics and Contemporary History at Birkbeck College, University of London. He is the author of *Labour and the Left in the 1930s* and *Hugh Dalton*, which won the Whitbread Biography Award.

EILEEN REID is a Research Fellow of the Policy Studies Institute. Her books include (with co-authors) *Education and Personal Relationships, Differentials for Managers and Skilled Manual Workers in the United Kingdom* and *Governments and Trade Unions: the British experience 1964-79*.

PATRICK RENSHAW is Senior Lecturer in American History at Sheffield University. He is the author of *The Wobblies* and *The General Strike*, his latest book *False Promises: American Labour and Consensus Capitalism, 1935-1985* will be published this year.

DAVID RUBINSTEIN taught social history at the Universities of Hull and Tours from 1965 to 1990. His main publications have been on the history of labour, housing, education, recreation and womens' emancipation. His biography of Millicent Garrett Fawcett is due to appear later this year.

JEAN SEATON is Senior Lecturer in Sociology at the Polytechnic of the South Bank. She is co-author of *Power Without Responsibility: The press and broadcasting in Britain*, and joint editor of *The Media in British Politics*.

RICHARD SHACKLETON was Lecturer in History at Birmingham University. He is co-editor of *Essays in Birmingham Labour History*.

JOHN STEVENSON is Fellow and Tutor in History at Worcester College, Oxford. His books include *London in the Age of Reform, Popular Disturbances in England, 1700-1870* and (with co-authors) *Popular Protest and Public Order* and *The Slump*.

ROBERT TAYLOR is Scandinavian correspondent of the *Financial Times*, having previously worked as labour correspondent for the *Observer* and *Sunday Times*. He is the author of *Lord Salisbury* and *The Fifth Estate: Britain's Unions in The Modern World*.

CHRIS WRIGLEY is Reader in Economic History at Nottingham University. His books include *David Lloyd George and the British Labour Movement, A History of British Industrial Relations* (ed.), 2 vols, *Arthur Henderson and Lloyd George and the Challenge of Labour*.

TRADE UNIONS IN BRITISH POLITICS

THE FIRST 250 YEARS

How did British trade unions become the most politically influential in the western world? Have they exercised an arbitrary power? How effective have legal constraints been on their activities? Will the 1990s see the marginalisation of the unions, or their resurgence? What problems and opportunities face British unions in Europe?

Seen as an instrument of radical change by some, and as an obstacle to social or economic reform by others, trade unions are seldom out of the news. Concern about their political influence has existed since the days of the Tolpuddle Martyrs, and their role in the 1990s remains as bitterly controversial as ever.

This carefully-researched book by many of the best-known experts in the field examines that role – looking at the turbulent political history of trade unions from their earliest beginnings.

The first section considers unions and politics from the Industrial Revolution until the early postwar period. The second takes the story through the Thatcher administration, and discusses different aspects of union political behaviour in contemporary Britain.

Much has happened since **Trade Unions in British Politics**, now widely regarded as a standard work, first appeared in 1982. This revised and expanded Second Edition contains three additional chapters: on government-union relations during the Thatcher years (by William Brown); on unions and Europe (by Denis MacShane); and on unions and the Labour Party at the end of the twentieth century (by Philip Bassett). Other chapters also include extensive revisions, to bring them up to date and to take account of the most recent scholarship.

Lively, provocative and eclectic – the authors are drawn from journalism, the civil service, the trade union world and politics as well as from several academic disciplines – this book is an indispensable guide for anybody with a serious interest in industrial affairs. It is essential reading for students of modern history, politics and industrial relations, and the ideal introduction for the general reader.

'An excellent book. It successfully attempts to discover and analyse the nature and location of trade union power.'

TIMES EDUCATIONAL SUPPLEMENT (of the First Edition)

The Editors: **Ben Pimlott** is Professor of Politics and Contemporary History at Birkbeck College, University of London; **Chris Cook** is Research Fellow and Head of the Political Archives Survey at the London School of Economics.
